**Page 57** If Celeste has already given you the recipe for that month's Zodiac furniture, she'll give you another star related recipe, some star fragments, zodiac fragments or a wand.

**Page 58** Saharah can only give one of each rug type per visit. Buying multiple small rugs, for instance, will get you multiples of the same small rug.

**Page 79** You don't have all day to find the buried item; you'll actually have to find it within 3 or 6 minutes.

### Chapter 3

**Page 113** Sitting on a toilet can decrease energy without using a tool.

**Page 117** How to get the Golden Slingshot recipe: After shooting down a total of 300 balloons with any slingshot, a golden balloon will appear—shoot it to get the recipe.

**Page 126** The amount of Bells a wallet can hold is 99,999. And the interest for Bells on your account caps out at 9,999.

### Chapter 4

**Page 159** The images of "Bright & Clear" and "Sunny" are swapped. The images below show them correctly.

**Page 167** Bamboo shoots can be harvested from adult bamboo trees only once.

**Page 186** The wrong icons were used for the bugs that appear near water. The image here shows the correct icons. Snails can also appear on shrubs when it rains.

#### Near Water

**Page 188** The legend for the Insect Occurrences chart was incorrect. Each day begins at midnight, as the image here shows.

#### LEGEND

A → 11PM-4AM	(Midnight)
B → 4AM-8AM	(Early Morning)
C → 8AM-4PM	(Daytime)
D → 4PM-5PM	(Early Evening)
E → 5PM-7PM	(Evening)
F → 7PM-11PM	(Night)

**Pages 194-197** The sell prices listed for fossils are all four times too high. Divide a value by four to get the correct amount. The Pachycephalosaurus, Spinosaurus, T. Rex and Triceratops were listed as having no function, but all animate when you interact with their skull.

### Chapter 7

**Pages 276 & 290** The images of track jackets and athletic jackets are swapped. The images here show these correctly.

**Page 304** The orange fairy dress' image was misprinted; see image here for correction.
